

Our New Renovation Will Earn Your Ovation

Refreshing News from Lake Lawn Resort!

In order to better serve your meeting, conference and special event needs, we're proud to announce the launch of a multi-million dollar property improvement program.

This exciting renovation project, slated for completion in May 2004, includes extensive remodeling and improvements to 150 guest rooms and many of our meeting and conference areas, as well as fresh, new upgrades to our lodge, grounds and Great Room.

While we're sure you'll appreciate all the wonderful changes we're making, one thing *won't* change: our dedication to providing you with the first-class service, comfort and amenities that have made Lake Lawn Resort the very best business destination in the Geneva Lakes area.

For more information, or assistance in planning your next meeting or event, call our Director of Groups Sales at (800) 338-LAKE, ext. 8006.
